CAMPAIGNS OPTIONS

CAMPAIGNS AND BRANDING TOOLS

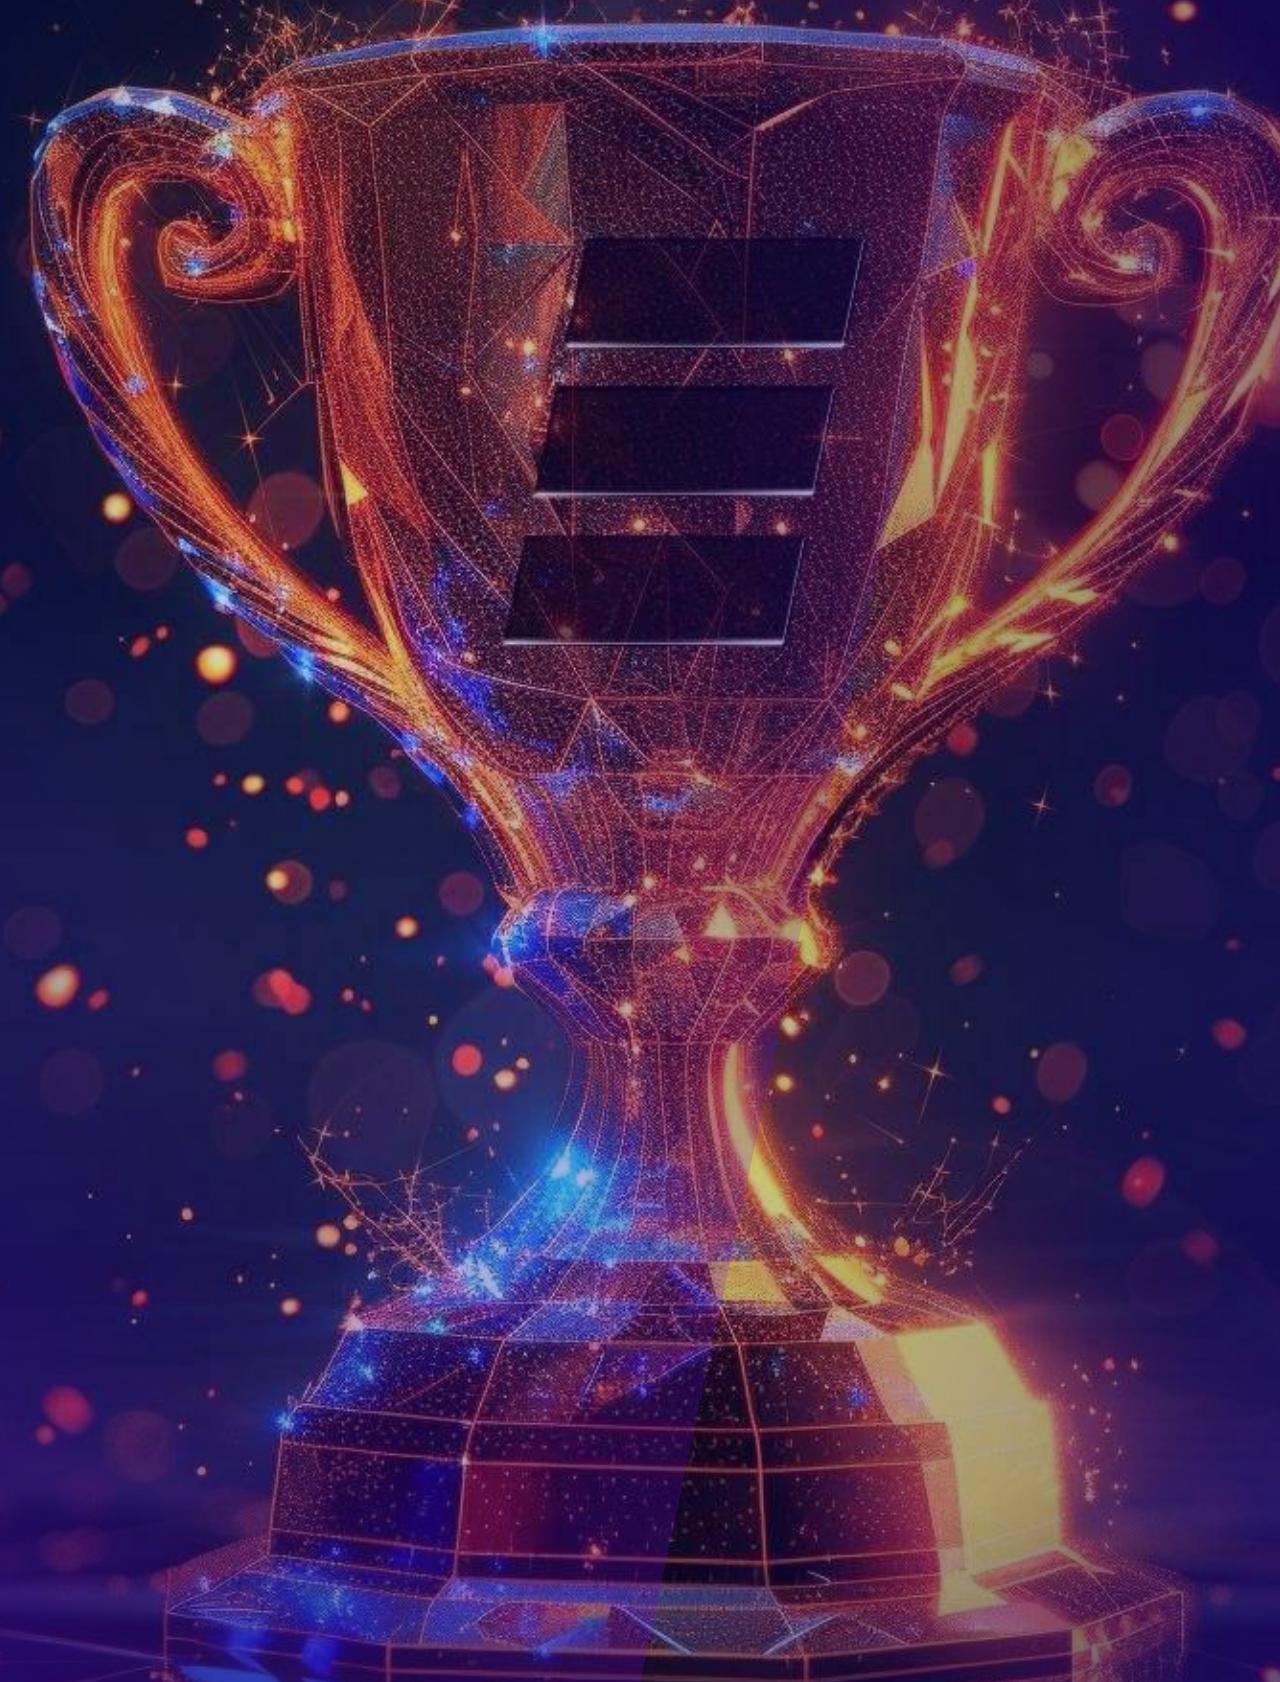

We understand that engagement originates not only from the games but also from their context. To address this, we have developed an extensive suite of marketing tools that integrate gamified elements, providing operators with additional opportunities to connect with their customers and enhance user experience.

THE CAMPAIGN MANAGEMENT TOOL (CMT)

Designed for all directly integrated operators, CMT offers players:

- Tournaments organisers
- Leaderboards and real-time stats
- Free rounds based on configurable criteria
- Campaign scheduler and notifier
- CMT does NOT require additional API implementation

CUSTOMISATION OPTIONS

MODULAR DEPLOYMENT PATHS

Optimise your platform with modular development paths, ensuring agile customisation to meet evolving needs and drive sustained growth. Choose from turnkey solutions or seamlessly integrate the iFrame option to enhance your platform's capabilities.

MAKE IT YOUR OWN (MIYO)

MIYO includes an unmatched spectrum of customisation options for customers, such as:

- Embedding their own logo within the game
- Adjusting the bottom bar backgrounds and icon colours
